

Beacon Learning Centre Media and Facebook Permission Form

Dear Parents/Guardians:

We would like to tell the community about the many positive things taking place in our centre. But we want to strike the right balance between getting our message out and respecting the wishes of parents and guardians who do not want their child to be photographed or videotaped. Please read the following two permissions carefully.

1. Media Permission

There may be times during the year when children are photographed or videotaped by the media during BLC events, fundraisers or other special occasions.

- I consent, under the *Municipal Freedom of Information and Protection Privacy Act*, that my child may be photographed, videotaped, or interviewed and their name and image used in the Beacon Learning Centre's publications and media coverage related events.

OR

- I do not consent.

2. Beacon Learning Centre Facebook Page Permission

We also have a Facebook page where the community can learn about what our centre offers and be alerted to fundraising efforts or special events. We will **not** add any child's name to our Facebook page.

- I consent, under the *Municipal Freedom of Information and Protection Privacy Act*, that my child's photograph can be shared on the Beacon Learning Centre's Facebook page.

OR

- I do not consent.
